Feature at a Glance

Introducing: Export supplier responses in PDF file

Ease of implementation

Low touch / simple

Geographic relevance

Global

Customer challenge

The buyer can export responses in excel however if there is a need to have a non-editable version there is no option for such an export.

Meet that challenge with **SAP Ariba**

The buyer has the option to download all supplier responses in a non-editable PDF format. This report has the details of all supplier responses to all line items in an RFQ.

Experience key benefits

A buyer can download a report that he can directly use to attach as an audit report for future reference of all supplier responses to an RFQ.

Solution area

Operational Procurement / Ariba Network / Quote Automation / Buyer

Implementation information

This feature is “on” by default for customers of **Quote Automation**. No action is required to utilize this feature.

Prerequisites and Limitations
