Feature at a Glance

Introducing: **Flag line item as not interested in bidding**

Customer challenge

Suppliers can indicate at the RFQ header level that they do not want to provide a bid, they do not have a way to provide this information to the buyer at a line level.

Meet that challenge with **SAP Ariba**

The supplier will be provided an option to flag at the line level that they will not provide a bid. This information will be transmitted to the Buyer via UI and integration layer.

Ease of implementation

Low touch / simple

Geographic relevance

Global

Experience key benefits

This will allow suppliers to explicitly indicate that they are not interested or do not have the possibility to bid for a specific line item, but can quote the rest of the line items included in the RFQ.

Solution area

Operational Procurement / Ariba Network / Quote Automation

Implementation information

This feature is “on” by default for customers of **Quote Automation**. No action is required to utilize this feature.
