Important Note for SATS' Suppliers

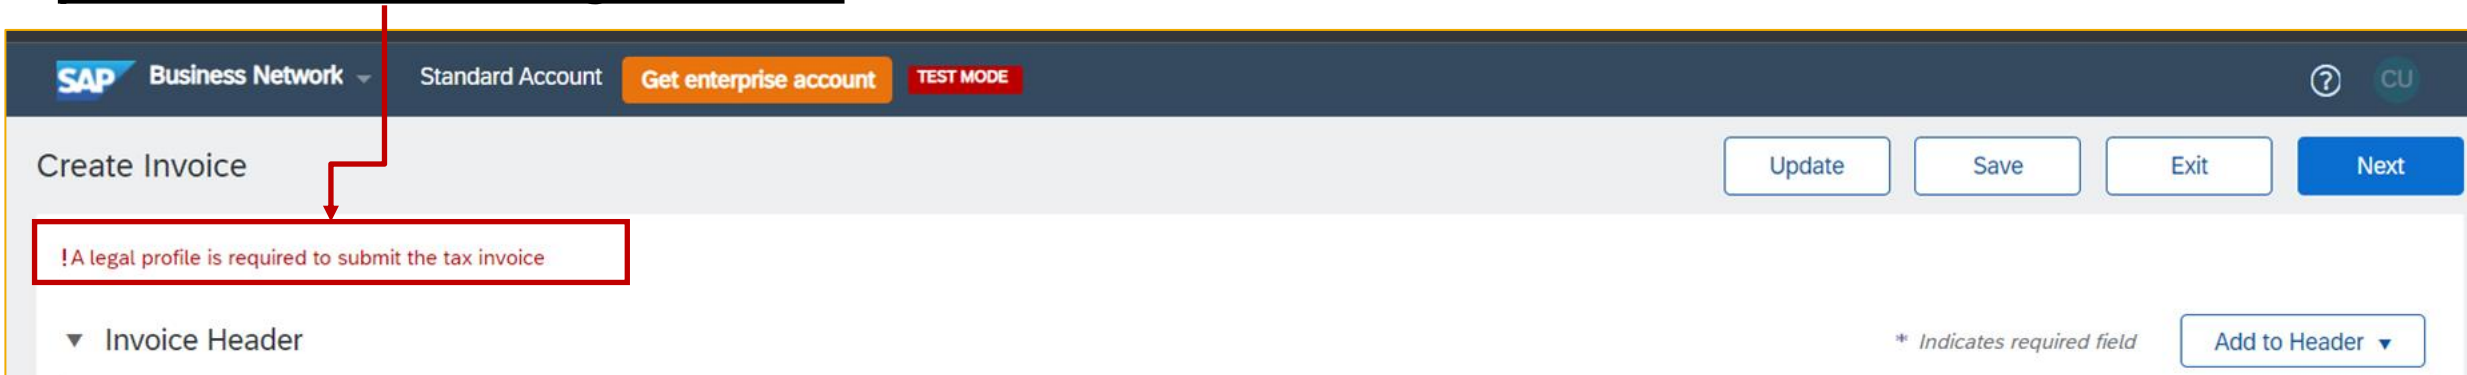

Singapore Suppliers must update their profiles in Ariba Network with their GST IDs and associated registered addresses.

This step is mandatory. Please create Legal Profile in your Ariba Network account before starting to transact with SATS

- For GST registered suppliers, please create legal profile to update your GST ID accordingly
- For non-GST registered suppliers, please create legal profile to indicate you are not GST registered

Refer to next pages for Guide to create GST (Legal Profile)

During invoice creation, the system displays an **error message** if you have not created a legal profile. **Create a legal profile to continue creating the invoice.**

The screenshot displays the SAP Business Network interface. At the top, the header includes the SAP logo, 'Business Network', 'Standard Account', 'Get enterprise account', and 'TEST MODE'. The main content area is titled 'Create Invoice' and features buttons for 'Update', 'Save', 'Exit', and 'Next'. A red-bordered box highlights an error message: '! A legal profile is required to submit the tax invoice'. A red arrow points from the top of this box to the 'Create Invoice' header. Below the error message, the 'Invoice Header' section is visible, including a legend '* Indicates required field' and an 'Add to Header' button.

How to set up a regulatory profile for suppliers in Singapore

Regulatory profiles refer to supplier accounts registered with tax authorities in Singapore for electronic invoicing procedures.

Regulatory profiles contain information to facilitate the legal flow of invoices.

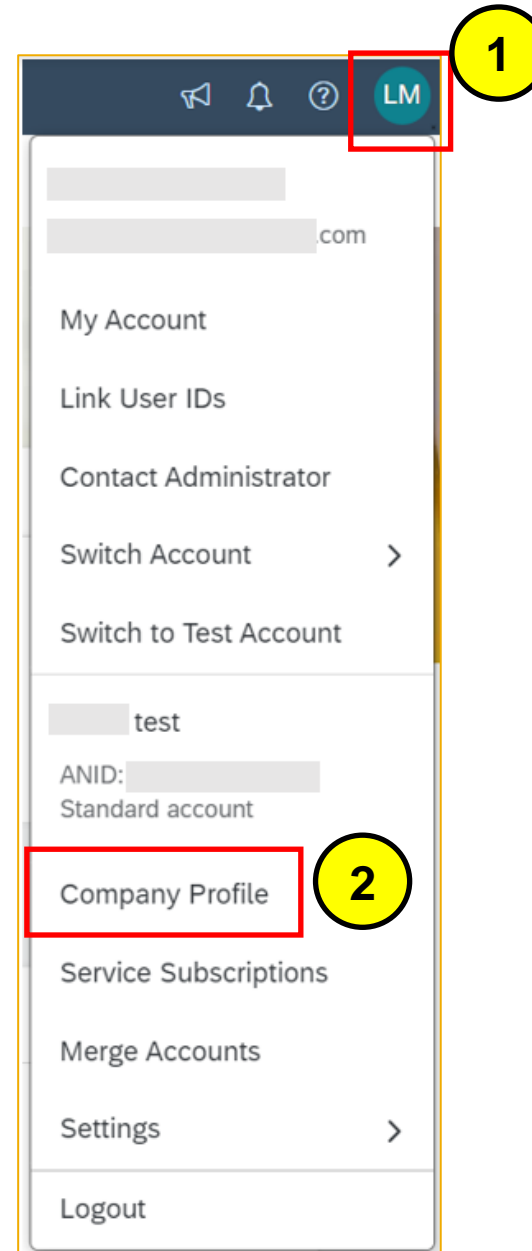

The Set Up Legal Profile check box is available to suppliers in Singapore.

Ariba Network displays the Set Up Legal Profile check box only if you have selected the Country as Singapore.

Note: Only an account administrator has the authorization to set up a regulatory profile

How to set up a regulatory profile for suppliers in Singapore

Click **Company Settings** (name initials on Home screen's top right corner) > **Company Profile**

In Company Profile, go to **Additional Addresses** section and click **Create** (or **Edit** if an entry already exists) to configure additional supplier addresses.

The image shows two screenshots from the SAP Business Network interface. The top screenshot displays the 'Company Profile' page for a company named 'test'. The left sidebar contains a navigation menu with 'Additional Addresses' highlighted by a red box and a yellow circle with the number '3'. The main content area shows company details such as ANID, DUNS, Employees (2), Business Type, Supplier Legal Form, Founded, Revenue, Stock Symbol, Company Aliases, and Address. The bottom screenshot shows the 'Additional Information' section, where the 'Additional Addresses' tab is selected. A red box highlights the 'Create' button at the bottom of the 'Additional Company Addresses' table, which is currently empty and marked with a yellow circle and the number '4'. A notification banner at the top of this section states: 'The Company Profile will be redesigned. Learn more.'
