- 10.1 Interpretations: In this Agreement: (a) headings are inserted for convenience of reference only and shall not affect the interpretation or construction of this Agreement; (b) any references to legislation include references to any amending and supplemental legislation; (c) the words and phrases "including" (and any similar words) shall be deemed to be immediately followed by the words "without limitation"; (d) references to clauses, paragraphs, schedules or annexes are to clauses, paragraphs, schedules or annexes of this Agreement unless otherwise stated; (e) references to the singular include the plural and vice versa; and (f) references to a 'person' include an individual, company, firm, partnership, public body, charity or other legal entity.
- 10.2 Entire agreement: This Agreement contains the entire agreement between the parties with respect to the subject matter of this Agreement and supersedes all other written and oral communications, arrangements or understandings between the parties relating to such subject matter. The express terms, conditions and warranties in this Agreement are in lieu of all terms, conditions, warranties, representations, statements, undertakings and obligations whether express or implied by statute, common law, custom, usage or otherwise all of which are hereby excluded to the fullest extent permitted by law. The parties hereby confirm that they have not relied on any statement, representations, assurance, warranty, communications or other matter ("Representation") which has not been expressly stated in this Agreement and that the only rights and remedies available to them arising out of a Representation shall be for breach of contract. Despite any provision to the contrary, nothing in this clause or this Agreement limits or excludes either party's liability for fraudulent misrepresentation or fraud.

If Elm Co consents to the Supplier subcontracting any of its obligations under this Agreement to a third party then notwithstanding such subcontracting the Supplier shall remain directly liable to Elm Co for the performance of such obligations.
- 10.6 Waiver: No provision of this Agreement shall be waived unless agreed to be waived by both parties in writing. If any provision is waived, then that waiver shall operate for that instance only and not future instances, unless agreed otherwise by both parties in writing. No single or partial exercise of any power or right by a party shall preclude any other or further exercise thereof or the exercise of any other such power or right.
- 10.7 Severability: If any provision of this Agreement becomes void or unenforceable under applicable law it shall be deemed to be deleted from this Agreement and the remaining provisions of this Agreement shall continue unaffected. In such circumstances, the parties shall (acting promptly and in good faith) use their reasonable endeavours to agree a replacement for such deleted provision which lawfully achieves the intent of the deleted provision and is as close as reasonably possible to it.
- 10.8 Variations: No alteration, variation or addition to this Agreement shall be valid unless agreed in writing by the authorised representatives of each party.

A notice will be deemed to be served on the date that the recipient acknowledges that it received the notice, if the notice is not sent in compliance with this clause 10.11.
- 10.12 Dispute resolution: The parties shall promptly escalate any dispute arising out of or relating to this Agreement in accordance with: (a) the agreed Governance provisions (where the SOW incorporates Governance provisions); or (b) where the SWO does not incorporate Governance provisions, to their relevant representatives as set out in SWO and if the matter is not resolved within 15 (fifteen) days of such referral to a senior member of the management of each party where the parties shall continue to try to resolve the issue within a further 15 (fifteen) days.

- 10.15 At Elm Co's request and expense, the Supplier shall grant access to Elm Co's staff, agents, auditors and other professional advisers to the premises, records and accounts of the Supplier and its Affiliates and subcontractors, including its and their data processing facilities, and to such of its and their supporting documentation and explanations from staff as is reasonable to ascertain compliance with this Agreement and the adequacy of the Supplier's financial standing. Such access shall be granted during normal business hours and subject to reasonable prior notice from the Supplier except to the extent that such access is required by an applicable regulatory or governmental body or as a consequence of suspected fraud outside of these parameters.
