About Ariba Network

The Ariba Network is your entryway to all your Ariba seller solutions. You now have a single location to manage all of your customer relationships and supplier activities regardless of which Ariba solution your customers are using. Once you have completed the registration, you will be able to:

- Respond more efficiently to your customer requests
- Work more quickly with your customers in all stages of workflow approval
- Strengthen your relationships with customers using an Ariba Network solution
- Review pending sourcing events for multiple buyers with one login
- Apply your Company Profile across Ariba Network, Ariba Discovery and Ariba Sourcing activities

Moving to the Ariba Network allows you to log into a single location to manage:

- All your Ariba customer relationships
- All your event actions, tasks and transactions
- Your profile information
- All your registration activities
- Your contact and user administrative tasks

Tell us more about your business ▶

Ariba will make your company profile, which includes the basic company information, available for new business opportunities to other companies. If you want to hide your company profile, you can do so anytime by editing the profile visibility settings on the Company Profile page after you have finished your registration.

By clicking the Create account and continue button, you expressly acknowledge and give consent to Ariba for your data entered into this system to be transferred outside the European Union, Russian Federation or other jurisdiction where you are located to Ariba and the computer systems on which the Ariba services are hosted (located in various data centers globally), in accordance with the Ariba Privacy Statement, the Terms of Use, and applicable law.

You have the right to access and modify your personal data from within the application, by contacting the Ariba administrator within your organization or Ariba, Inc. This consent shall be in effect from the moment it has been granted and may be revoked by prior written notice to Ariba. If you are a Russian citizen residing within the Russian Federation, You also expressly confirm that any of your personal data entered or modified in the system has previously been captured by your organization in a separate data repository residing within the Russian federation.
