

Supplier Email Notifications for Planning Collaboration Updates

CSC-39638

Target GA: February, 2024

Feature Overview

Introducing: **Supplier Email Notifications for Buyer Planning Collaboration Updates CSC-39638**

Feature Description

This feature adds supplier email notifications when buyers make planning collaboration updates. This notification contains the number of planning records the buyer created or updated. The supplier can also specify a minimum of one and a maximum of three email addresses to use for receiving the notifications at a set frequency.

Key Benefits

The email notifications help suppliers to be more responsive to their buyers planning collaboration updates. Prior to this feature, suppliers could only find out about the planning collaboration updates that their buyers made by checking in SAP Business Network.
