

## Announcement 2: Boels Rental: SAP Ariba Business Network Enterprise Onboarding

Dear Supplier,

Recently, Boels Rental reached out to you regarding the SAP Business Network Enterprise Onboarding. Please recall that conducting business on SAP Business Network will soon be the new way of working. Therefore, you are invited to watch the summit recordings to gain more information about doing business via the SAP Business Network.

Please register for the summit recordings (information session) by clicking on the link below if you feel that you require more information about transacting with Boels Rental on the SAP Business Network.

[Boels Rental B.V. Supplier Summit](#)

### ***What is the scope for you as a supplier?***

- Orders starting with 45 (long-term framework orders) and 55 (standard PO's) will be sent via the SAP Business Network.
- Note, you should invoice via the SAP Business Network to receive payment for the transaction. On top of that, orders which start with a 55 always require an order confirmation (this does not hold for the 45 orders).
- In case the scope changes, you will be notified.

### ***What are the next steps for you as a supplier?***

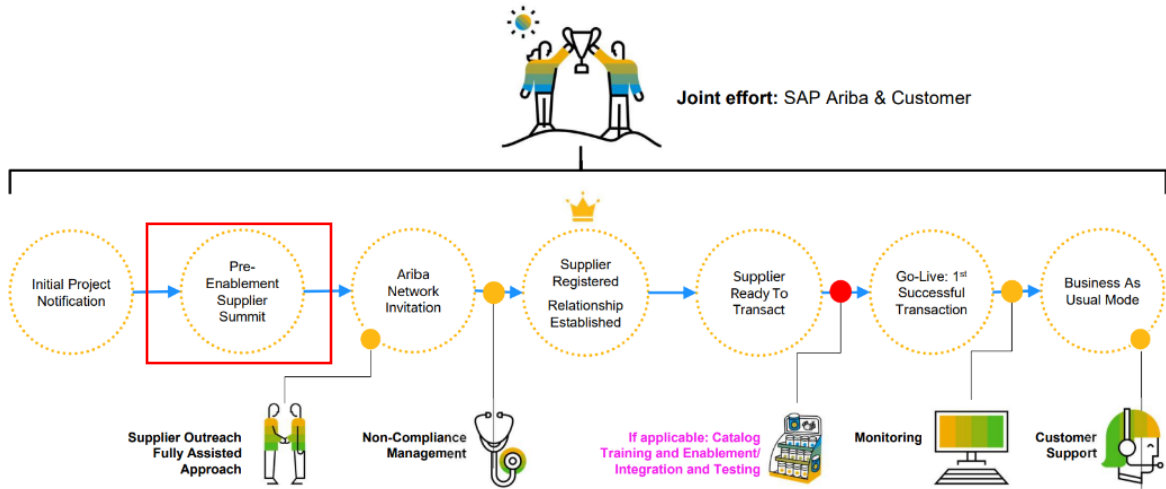

In the coming weeks, SAP will send you important communications and instructions for joining the SAP Business Network. This includes establishing a trading relationship with Boels Rental on the network and properly configuring your SAP Business Network account. We appreciate your prompt action on all communications and requests regarding this initiative (***please aim to respond within 5 working days***). We aim to start onboarding suppliers on the business network in **September**.

Boels Rental is convinced that the transition to the SAP Business Network will strengthen our business relationship and allow for more effective collaboration and increased purchasing capabilities. Our business relationship is highly valued, Boels Rental looks forward to the digitization journey together to secure continuous business success.

If you have questions, please contact the Boels Rental Supplier Enablement Team via [supplierenablement@boels.com](mailto:supplierenablement@boels.com).

Kind Regards,  
*Boels Rental Supplier Enablement Team*
