

HOW TO ACCESS SAP BN: A STEP-BY-STEP GUIDE (1/2)

Is your company already registered on SAP Business Network and is transacting with another company via the platform ?

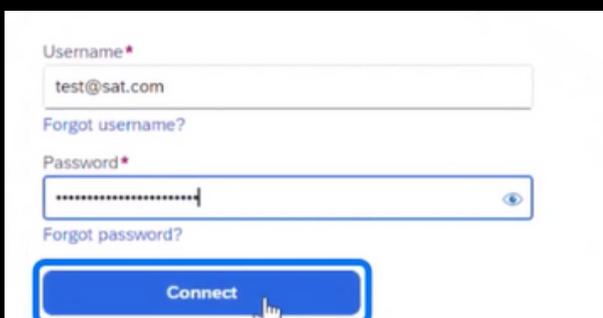

- 1 Look in your emails for a notification from Anheuser-Busch x SAP Ariba (example below). This notification is a **Trade Relationship Request (TRR)**. Please, **accept the TRR** to activate your relationship with Anheuser-Busch and/or Labatt.

- 2 If you click on **Accept your customer's TRR**, you will land on the login page of SAP Business Network. Since you already have an account, please choose to **connect with an existing account**.

- 3 **Enter your username & password and click on "connect"**. Note that you need to be your account administrator to be able to connect.

- 4 Congratulations! You are now connected with Anheuser-Busch and/or Labatt on SAP Business Network.
