

Project Notification Letter

Dear Supplier,

We would like to inform you as our valued business partner of an important change in our collaboration:

Qiddiya Investment Company and its affiliates have selected **SAP Business Network** as the platform for Procurement and Accounts Payable transactions.

From June, 2026, we will be sending Purchase Orders via **SAP Business Network**, and we expect our suppliers to use this platform to

- receive Purchase Orders and return Order Confirmations,
- create Advance Ship Notices and Service Entry Sheets,
- submit Invoices.

In dedicated **Supplier Summits** we will explain the interaction via **SAP Business Network** in detail and provide you with additional information material. We would like to invite you to attend the following Supplier Summit. Please register via the link.

[Click here to register!](#)

Date: May 13, 2026

Time: 2pm Arabia Standard Time (AST)

Subsequent to the Supplier Summit, you will receive the next Purchase Order together with an invitation to establish a **Trading Relationship** with Qiddiya Investment Company on **SAP Business Network**. This email will be sent from ordersend-prod@ansmtp.ariba.com.

Once you click on the link in the Purchase Order email, you will be taken to www.supplier.ariba.com where you will need to create a new Standard Account - or log in with existing account, if you already have one - in order to be able to process that Purchase Order.

A Standard Account is entirely free of charge. Please note, however, that if at any point in future you decide to upgrade to an Enterprise Account, you may incur fees from *SAP Business Network* use. Any such fees generated from an Enterprise Account will be solely the responsibility of the Supplier. To learn more about the available *SAP Business Network* account options, please click [here](#).

After the initial registration, suppliers can navigate to www.supplier.ariba.com and login with your username & password. On the "Enablement tab" all your Activities and Tasks with Qiddiya Investment Company will be visible for you.

If you are not the correct recipient or have any questions, please contact your Supplier Relationship Management Team at Qiddiya Investment Company (sbn-support@qiddiya.com) or SEVEN (sbn-support@seven.sa).

Thank you for your continued interest in Qiddiya Investment Company *and its affiliates*. We are looking forward to continuing our cooperation via the **SAP Business Network**.

Best Regards

Qiddiya Investment Company/SEVEN Supplier Relationship Management Team
