# Display risk scores of suppliers to contract owners

## Description:

Supplier Risk Management is one of the critical components of any Purchasing Organizations. More than that, using the Risk Information in Contracts is now becoming a Mandate for all Contract Managers to determine mitigations, approvals, etc.... We have two strong products in Ariba in both the areas – Supplier Risk and Contracts. This is the first feature of the many to come.

For customers with Supplier Risk enabled, this feature will allow the users to see the Inherent Risk Scores of the supplier from SAP Ariba Contracts

# Display risk scores of suppliers to contract owners

## Current Problem

Supplier Risk and Contracts Products are in Silos. We need to integrate to help customers move to a more efficient and risk-aware environment to manage suppliers and contracts.

## Solution

- As first of the many features to come, this feature will allow users to see the risk scores in contracts

## Benefits

- Enables contracts users to make supplier risk aware based decisions while creating and managing the contracts

# Display risk scores of suppliers to contract owners

## Pre-Requisites

1. For this feature to work Supplier Risk Product should be enabled for that customer
2. The user who logs into contracts should have Risk related Groups assigned to him

# Display risk scores of suppliers to contract owners

Scenario 1 – Customers with Contracts and No SIM / SIPM

1. Risk Scores will be shown to the user
2. When the user clicks on the supplier name, he will be taken to the Organization Profile where a new tab is introduced to show the information.

## Contracts Overview Page

The screenshot displays the 'Contract Attributes' section with the following details:

- Related ID:
- Last Published: (no value)
- Hierarchical Type: Stand-alone Agreement
- Proposed Contract Amount:
- Contract Amount:
- Supplier: ABB SCHWEIZ AG (with a risk score of 2.65)
- Affected Parties: 8x8, Inc., ABB SCHWEIZ AG
- Agreement Date:
- Process Status:

Below the attributes is a 'Risk Score' summary table:

Category	Score	Level
Overall	2.65	Medium
Environmental and social	1	Low
Financial	5	High
Regulatory and legal	1.02	Low
Operational	0	Unknown

## Supplier Profile Page

The screenshot shows the 'Supplier Profile Page' with the 'Risk' tab selected. A yellow callout bubble points to the 'Risk' tab with the text 'New Risk Tab'. Below the navigation tabs, there is a 'Risk scores' section and a 'Potential risk exposure' chart.

The 'Potential risk exposure' chart shows a score of 1 (Low) over time from September 03 to November 28. The chart includes a legend for different risk categories: Potential risk exposure, Regulatory & legal, Environmental & social, Operational, and Financial.

# Display risk scores of suppliers to contract owners

## Scenario 2 – Customers with Contracts and Supplier Management

1. Risk Scores will be shown to the user
2. When the user clicks on the supplier name, he will be taken to the Organization Profile where a new tab is introduced to show the information.

### Contracts Overview Page

The screenshot displays the 'Contracts Overview Page' with a list of contract attributes on the left and a detailed risk score overlay on the right. The attributes include: Related ID, Last Published: (no value), Hierarchical Type: Stand-alone Agreement, Proposed Contract Amount, Contract Amount, Supplier: ABB SCHWEIZ AG (with a risk score of 2.65), Affected Parties: 8x8, Inc., ABB SCHWEIZ AG, Agreement Date, and Process Status. The risk score overlay shows the following breakdown:

Category	Score	Level
Overall	2.65	Medium
Environmental and social	1	Low
Financial	5	High
Regulatory and legal	1.02	Low
Operational	0	Unknown

### Supplier Management Profile Page

The screenshot shows the 'Supplier Management Profile Page' for 'YORK IMPERIAL PLASTICS' (YORK, PA). The page includes a header with the supplier name and location, and a right-hand sidebar with 'Registration Status: Not invited' and 'Qualification Status: Not started'. Below the header, there are three tabs: 'Overview', 'Registration', and 'Risk'. The 'Risk' tab is highlighted with a yellow arrow pointing to a callout box that says 'New Risk Tab'. At the bottom of the page, there is a 'Risk scores' section with sub-tabs for 'Risk incidents', 'Compliance', 'Enriched corporate info', and 'Forced labor'. A notification at the bottom right indicates a change in the supplier's risk assessment project.

# Display risk scores of suppliers to contract owners
