Feature at a Glance
Ability to Use Reserve Price, Conditional Visibility of Questions and Multi Currency Support for Large-Capacity Events

Content Owner: Badrinath Waiker, SAP Ariba
Target GA: May, 2019

THE BEST RUN **SAP**

Feature at a Glance

Introducing: **Ability to Use Reserve Price, Conditional Visibility of Questions and Multi Currency Support for Large-Capacity Events**

Customer challenge

- **Absence of** certain **standard event capabilities** reduces the sourcing solution usability of large capacity events.

- No **excel based support for conditional visibility of questions** as the bidding of large capacity events usually happens with excel spreadsheets.

Meet that challenge with
SAP Ariba

SAP Ariba introduces enhancements to large capacity events where-by users can now:

1. Use Reserve Price functionality.

2. Add condition based visibility of questions to excel bidding.

3. Ability for supplier to choose bidding currency.

Experience key benefits

- Better usability and increased user experience.

Solution area

- SAP Ariba Sourcing
- SAP Ariba Strategic Sourcing Suite
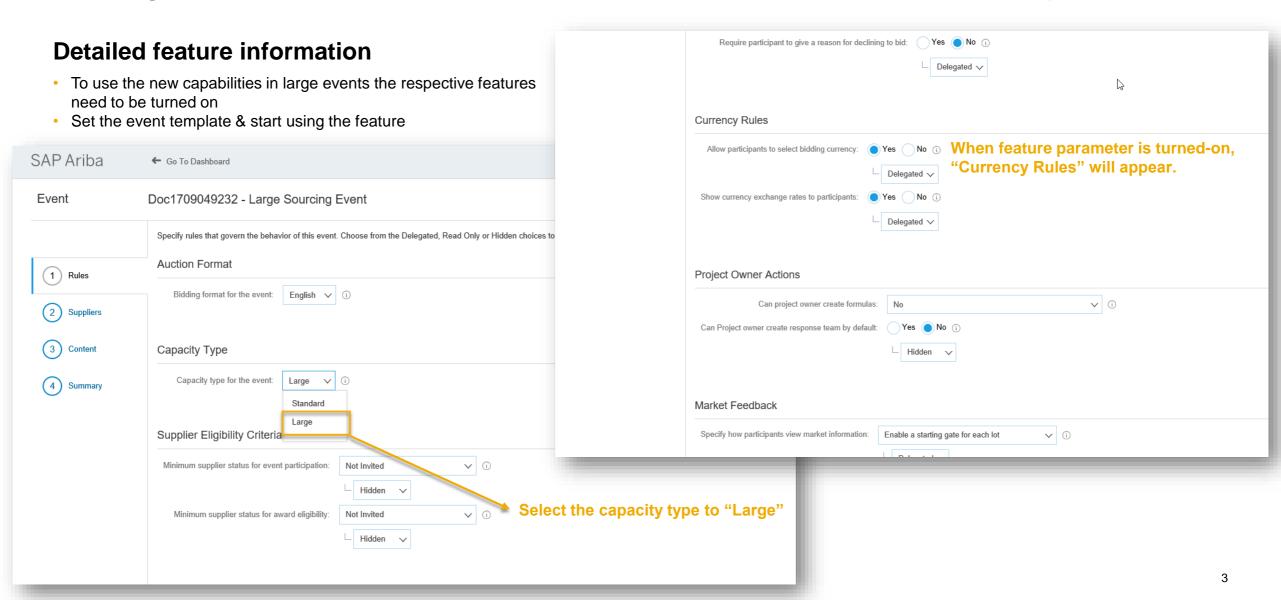

Implementation information

To have this feature enabled, please have your Designated Support Contact (DSC) submit a **Service Request (SR).**
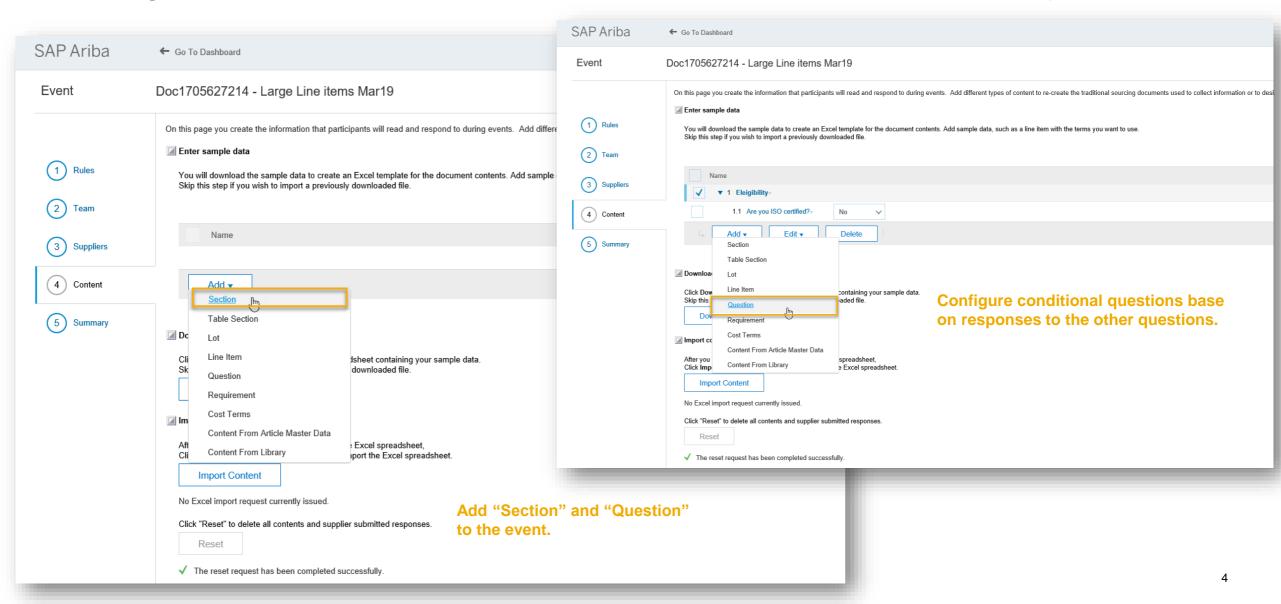

Prerequisites and Limitations

This is a large capacity event functionality. Have the event template set accordingly.
