Feature at a Glance
SAP Ariba Cloud Integration Gateway Support for BOM

Content Owner: Badrinath Waiker, SAP Ariba
Target GA: August, 2019

THE BEST RUN **SAP**

Feature at a Glance

Introducing: **SAP Ariba Cloud Integration Gateway Support for BOM**

Customer challenge

- With no CIG support for importing BOM data from SAP ERP, customers had no option but to use CI9
- While existing customers migrate to CIG to take benefit of new innovations and all new deployments being carried over CIG
  - SAP Ariba Strategic Sourcing Suite customers had to use 2 version of integration package
  - CIG and CI9 (CI9 for specifically for BOM upload)

Meet that challenge with
SAP Ariba

- SAP Ariba introduces CIG support for BOM to enable its Strategic Sourcing Suite customers benefit from CIG

- Customers can now have one single version of integration package, CIG, for all their integration requirements

Experience key benefits

Enhanced product usability

Solution area

SAP Ariba Strategic Sourcing Suite

Implementation information

To have this feature enabled, please have your Designated Support Contact (DSC) submit a **Service Request (SR)**.

Prerequisites and Restrictions

- Applicable for customers using product sourcing features
- Applicable for users only with admin rights for configuring integration
