Introducing: Redesigned user interface in Ariba Network for Buyers

Customer challenge

As a part of Intelligent enterprise strategy for SAP, there was an need to bring consistency to user interface for all SAP products and Ariba Network for Buyers

Solution area

SAP Ariba Network SAP Ariba Discovery

Meet that challenge with SAP Ariba

- Multiple visual design enhancements are implemented in the Ariba Network user interface.
- These enhancements include navigation related changes to the Ariba Network login pages, the dashboard and the profile management page.
- The new font and background color changes will be seen across all pages of Ariba Network

Experience key benefits

Ease of implementation

Geographic relevance

- This feature will help user improve usability of the features on the portal.
- The feature helps align Ariba Network and user interfaces with the rest of SAP products.

Implementation information

This feature is **automatically on** for all customers with the applicable solutions and is ready for immediate use.

Prerequisites and Restrictions

None

Introducing: Redesigned user interface in Ariba Network for Buyers

This feature describes the collection of enhancements to the Ariba Network user interface or visual design. While the font and background colour changes were applied to all pages of Ariba Network, the navigation related enhancements are made to the Ariba Network login pages and the dashboard, supplier registration page, and profile management page.

Browser	Version
Apple Safari (32-bit) / (64-bit)	5 / 9 or later
Google Chrome	54 or later
Microsoft Edge (32-bit)	Windows 10 Operating System
Microsoft Internet Explorer (32-bit)	11 or higher on windows 10 and 7 operating systems
Mozilla Firefox (64-bit) / (32-bit)	17 / 49 or later

* Note: Browsers on mobile devices don't support the latest visual design of Ariba Network.

Ariba Network - Login Page:

Feature at a Glance

On the login page, a new global navigator bar is displayed which contains the Ariba Network dropdown. This dropdown contains the following options: Ariba Network, Ariba Discovery and Ariba Exchange.

Introducing: Redesigned user interface in Ariba Network for Buyers

Buyer users can select the SAP Ariba Cloud Application that they want to log in to and then provide the required credentials. Users will also see changes and standardization in Logo.

Previous login page had a blue background and various applications were previously accessed via icon (see icon on left) are now replaced with drop down on upper left hand corner of the screen.

Dashboard Interface changes:

- 1. In the top right corner of the dashboard, the user profile dropdown is replaced by icon with initials. When you click on the icon, Ariba Network displays the expanded list of menu items.
- 2. The Help Center menu is replaced with the question mark icon.
- The subtabs for Inbox, Outbox, Supplier enablement, Administration etc will be available dropdown list.
 When you click any of the menu items in the dropdown lists, Ariba Network refreshes the whole page and displays the required page.
