Introducing: Automatically add AML Suppliers to BOM Quote

Customer challenge

- Last quarter a predecessor feature was introduced to allow product sourcing users to request a quote on an entire BOM.
- The feature doesn't allow any AML suppliers to be auto added to the BOM quote.
- There are use cases when product sourcing users would like to auto add AML suppliers associated with the BOM and the BOM quote feature doesn't allow this.

Meet that challenge with SAP Ariba

- SAP Ariba addresses this specific customer challenge through the current feature
- The feature provides an ability for product sourcing users to configure and add AML suppliers to the BOM quote
- The feature allows any AML supplier associated with the top BOM item to be automatically added to the event and ignores any AML suppliers associated with child parts

Experience key benefits

Enhanced product usability

Solution area

SAP Ariba Strategic Sourcing Suite

Implementation information

To have this feature enabled, please have your Designated Support Contact (DSC) submit a **Service Request (SR)**.

Prerequisites and Restrictions

The site must be configured for product sourcing
Users need to be associated with Material Manager group.
