**Dear Valued Supplier,**

Following the communication sent on the 14 January 2021 where we shared with you our intention to implement the **SAP Ariba®** solution to streamline our approach to transacting with our suppliers, collaborating, sending electronic purchase orders and receiving invoices.

**What does this mean for you?**

Transacting on the Ariba Network with a FREE Standard Account will allow you to meet your customer's requirements and join them on the Ariba Network without fees.

**What are the benefits?**

**Standard Account** provides access to quickly transact with SAP Ariba customers for FREE, improve customer retention, and get paid faster.

To learn more about SAP Ariba and the specific details about this initiative register for a web-based supplier summit.

Attendance is highly encouraged as you will have the opportunity to participate in a live Q&A with experts from both **SAP Ariba** and **Zimplats**.

Summit Title	Date	Time	Registration
Zimplats Supplier Summit	11 February 2021	11:00 – 12:00 South Africa Standard Time	<a href="#">Register</a>

In the coming weeks, you will receive an invitation to register your company on the **Supplier Lifecycle and Performance module** and **SAP Ariba** will be in contact with you to assist you with the registration process, to be completed on **31 March 2021**.

We believe this shift will strengthen our business relationship and allow for more robust collaboration and purchasing capabilities.
