Registration in Ariba Network

Process

Email to your email account will be sent.

Click on the corresponding link to:

- Sign up
- Log in

Once completed, you will be connected to Bayer

Registration

1. Invitation: Register to become a supplier

Register as a supplier with Bayer Procurement

Hello!

has invited you to register to become a supplier with Bayer Procurement - TEST. Start by creating an account with Ariba

It is extremely important to determine if your Company already has an Ariba Network Account, before registering. If you are not aware, please check on the [Ariba Discovery portal](#) (live link); start with your industry, if you need to refine results please utilize the "Advanced Search Settings" in the please DO NOT create a new account; ask your company's Ariba account manager to create a user access for you under the existing

Bayer Procurement - TEST uses Ariba Network to manage its sourcing and procurement activities and to collaborate with suppliers. If you do not have an account, please create one with the password.

[Click Here](#) to create account now

For legacy Bayer Privacy Statement please [click here](#)

For legacy Monsanto Privacy Statement please [click here](#)

- // An email to your email account will be sent
- // Please check if your company already has an existing Ariba Network account. You can also check on the [Ariba Discovery page](#).
- // If YES, process with [step 2](#).
- // If NO, process with [step 3](#).

Registration

2. LOG IN: Company exists on Ariba Network

Ariba Sourcing Help Center >>

About Ariba Network

The Ariba Network is your entryway to all your Ariba seller solutions. You now have a single location to manage all of your customer relationships and supplier activities regardless of which Ariba solution your customers are using. Once you have completed the registration, you will be able to:

- Respond more efficiently to your customer requests
- Work more quickly with your customers in all stages of workflow approval
- Strengthen your relationships with customers using an Ariba Network solution
- Review pending sourcing events for multiple buyers with one login
- Apply your Company Profile across Ariba Network, Ariba Discovery and Ariba Sourcing activities

Moving to the Ariba Network allows you to log into a single location to manage:

- All your Ariba customer relationships
- All your event actions, tasks and transactions
- Your profile information
- All your registration activities
- Your contact and user administrative tasks

Use Log in if:

-your company exists on Ariba Network but has never cooperated with Bayer

-if you do not have your personal Ariba Network account, contact your company Ariba Network account administrator before logging in.

Registration

In the Ariba Dashboard you can see all the **events** of the select environment from the different clients, the status and the ending time of the events

Ariba dashboard

Access the events

The screenshot shows the Ariba dashboard interface. At the top, there is a dark blue header with a grid icon, 'Company Settings' with a dropdown arrow, and 'Help Center' with a double arrow. Below the header, a 'Go To My' dropdown menu is open, showing 'LEADS', 'CONTRACTS', and 'ORDERS & INVOICES' (which is highlighted with a black border). To the right of the menu, there is a 'le Sync' link and a 'Closed' status with a document icon. Below the menu, there is a 'Response' button. At the bottom, there is a table with columns for 'Country', 'ID', and 'Status'. The table contains three rows: 'Germany', '22041993', and '16302646'. Below the table, there is a link 'Next Section: Business Initiation ...'. At the bottom left, there is a label 'y: US Dollar'.

Country	ID	Status
Germany	22041993	
	16302646
