Email orders to:*

[SAP Ariba Privacy Statement](#)

Must be in email format(e.g john@newco.com)
 ⓘ

Passwords must contain a minimum of eight characters including upper and lower case letters, numeric digits, and special characters.
 ⓘ

The language used when Ariba sends you configurable notifications. This is different than your web b...

Customers may send you their orders through Ariba Network. To send orders to multiple contacts in your organization, create a distribution list and enter the email address here. You can change this anytime.

d. Complete the last section with “Services” and “Locations” and select the checkboxes for Terms and Conditions.

Tell us more about your business

Product and Service Categories: * -or- [Browse](#)

Ship-to or Service Locations: * -or- [Browse](#)

Tax ID: Enter your nine-digit Company Tax ID number.

DUNS Number: Enter the nine-digit number issued by Dun & Bradstreet. By default, DUNS number is appended with "-T" in test account. [i](#)

Ariba will make your company profile, which includes the basic company information, available for new business opportunities to other companies. If you want to hide your company profile, you can do so anytime by editing the profile visibility settings on the Company Profile page after you have finished your registration. By clicking the Create account and continue button, you expressly acknowledge and give consent to Ariba for your data entered into this system to be transferred outside the European Union, Russian Federation or other jurisdiction where you are located to Ariba and the computer systems on which the Ariba services are hosted (located in various data centers globally), in accordance with the Ariba Privacy Statement, the Terms of Use, and applicable law.

You have the right to access and modify your personal data from within the application, by contacting the Ariba administrator within your organization or Ariba, Inc. This consent shall be in effect from the moment it has been granted and may be revoked by prior written notice to Ariba. If you are a Russian citizen residing within the Russian Federation, You also expressly confirm that any of your personal data entered or modified in the system has previously been captured by your organization in a separate data repository residing within the Russian federation.

e. Ariba Network Registration Confirmation

Welcome to the Ariba Commerce Cloud Inbox x

Ariba Commerce Cloud <ordersender-prod@ansmtp.ariba.com>
to Seidor.Bnet ▾

Welcome to the Ariba Commerce Cloud

Your registration process on the Ariba Commerce Cloud for Testing Supplier 29 Mar is now complete.

Your organization's account ID: **AN01669875016-T**

Your username: [Test_29.03_Seidor.Bnet@gmail.com](#)

As the account administrator for this account, make sure to keep your username and password in a secure place. Do not share this information.

If you registered after receiving an invitation from an Ariba On Demand Sourcing buyer, you can now access and participate in the buyer's sourcing events. The Seller Collaboration Console provides a centralized location for you to manage all your Ariba On Demand Sourcing events and buyer relationships.

Ariba On Demand Sourcing buyers might request that you complete additional profile information as part of their Supplier Profile Questionnaire. When you access customer requested fields for a specific buyer, you will see a pop-up page with that buyer's name; that page contains the buyer's customer requested fields.

4. Fill out BNET Registration Questionnaire
