

# Feature at a Glance

**Support for Publishing Public Procurement Notices on Tenders Electronic Daily (TED) Portal (ET-9)**

Target GA: November, 2022

# Support for publishing public procurement notices on the Tender Electronic Daily (TED) portal

## Description

- According to the European Union (EU) public procurement law, as part of the tendering process, a public entity must publish notices on the Tenders Electronic Daily (TED) portal. The notices contain important information, including bid items, time frame, location, selection criteria, and awarding criteria.
- Public entities based in the European Union and in the European Economic Area can now publish the following types of notices to the TED portal:
  - Prior information notice (PIN)
  - Contract notice (CN)
  - Contract award notice (CAN)
  - Periodic indicative notice - utilities (PIN - Utilities)
  - Contract notice - utilities (CN - Utilities)
  - Contract award notice - utilities (CAN - Utilities)
  - Corrigendum notice (change notice)

## Customer benefit

- Legal compliance thanks to a digital end-to-end process flow consistent with EU public procurement rules
- Higher efficiency and usability thanks to automated, fully integrated data processing

## User

- Buyer
- Supplier

## Enablement model

To have this feature enabled, please have your Designated Support Contact (DSC) submit a **Service Request (SR)**.

## Applicable solutions:

- SAP Integration Suite, managed gateway
- SAP Strategic Sourcing Suite

# Prerequisites and restrictions

## Prerequisites

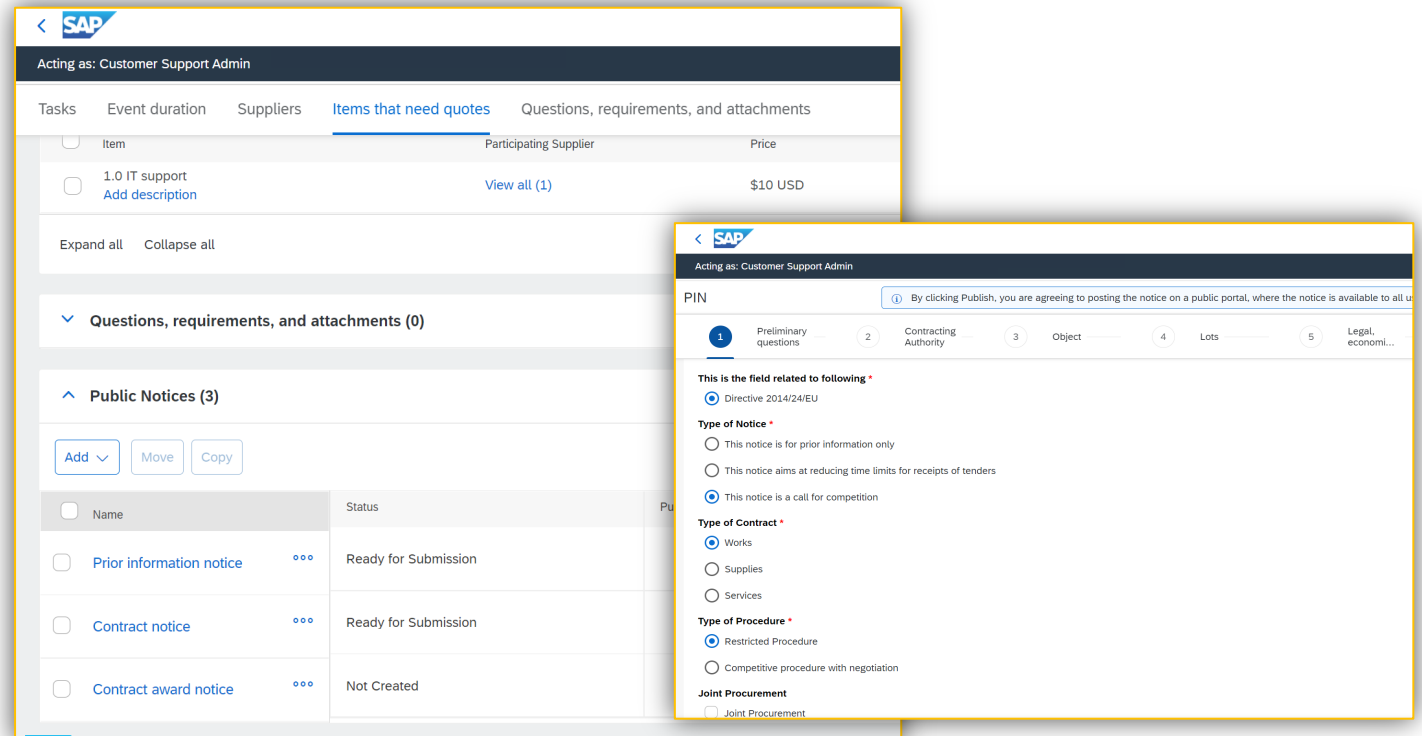

- This feature is supported only in guided sourcing. To use this feature, your site must have guided sourcing enabled and you must be a member of the Category Buyer group.
- To have this feature enabled, please have your Designated Support Contact (DSC) submit a service request (SR).

## Restrictions

- Integration between guided sourcing and the TED portal must be configured using SAP Integration Suite, managed gateway (Feature IG-32935)

# Feature details

- Preparation and publication of notices on TED fully integrated with SAP Ariba Sourcing
- Predefined and prefilled procurement notice templates according to legal rules
- Management of TED portal responses and initiation of subsequent process steps
- Support of the following key notices for classic public sector and special sectors:
  - Prior information notice
  - Periodic indicative notice
  - Contract notice
  - Contract award notice
  - Corrigendum notice

# User story

- As a buyer administrator, you can associate public procurement notices with a public sector event template.
- As a buyer, you can enter procurement details in the notices associated with the event and publish the notices on the Tenders Electronic Daily (TED) portal.
- As a supplier, you can view the notices on the portal and the related event details on a public access page. You can invite yourself to participate in the event after registering on SAP Ariba Discovery.
