

Dear valued supplier,

We are pleased to announce a new initiative to streamline our procurement and accounts payable processes. Corteva Agriscience is partnering with SAP Ariba® to fulfill our vision of moving toward electronic transmission of documents.

You have been identified as a supplier that supports Corteva's Crop Protection business unit in the EMEA region (Europe, Middle East, and Africa).

Our EMEA Crop Protection business unit will Go Live on Ariba Network on 1 October 2022. After that date, this business unit will submit its purchase orders using this platform and you will be able to submit your invoices using this platform.

What are the benefits of Ariba Network?

- ✓ Immediate receipt of Corteva purchase orders
- ✓ Immediate invoice submission
- ✓ Ability to view payment status via Ariba Network or to receive email notifications
- ✓ More efficient invoice processing within Corteva, facilitating quicker payment
- ✓ Ability to create online catalogs
- ✓ Potential new business opportunities

What do I need to do?

You need to create a new Ariba Network account or use a pre-existing Ariba Network account to receive purchase orders from Corteva when you are supporting the Crop Protection business unit starting 1 October 2022.

You will also need an Ariba Network account to e-invoice. To e-invoice on the Ariba Network: you must operate out of the following countries and be billing a Corteva entity in those same countries: Canada, France, Germany, United Kingdom, the United States, Spain, and Switzerland.

What kind of account should I have?

Based on the volume and nature of your transactions with us, we suggest you register for an Enterprise account. To learn more, please visit [SAP Ariba](#).

What is the next step?

We highly encourage you to join one of our virtual supplier information sessions. Representatives from SAP Ariba and Corteva will be present to take your questions. We encourage you to attend, even if you already have an Ariba account.

Summit Title	Date	Time	Registration
Enterprise Account Supplier Training - French	Tuesday, June 28, 2022	2:00 PM Central European Summer Time	Register Here
Enterprise Account Supplier Training - English	Monday, June 27, 2022	3:00 PM Central European Summer Time	Register Here

If you are not the appropriate point of contact, please forward this message, and let us know.

We are confident that this change will strengthen our business relationship. You can visit the [Ariba information portal](#) for more information. If you have technical questions for Ariba, please contact them [here](#). If you have supplier questions for Corteva, please contact us at supplier_enablement_eame@corteva.com.
