

Connect with Kyndryl to collaborate on SAP Business Network!

To John Doe at Acme Supplier,

Kyndryl, would like to invite you to connect with us on SAP Business Network.

Your customer, **Kyndryl**, is changing the way they do business with their valued suppliers. The goal is to make the process by which your company receives purchase orders and/or gets paid as efficient as possible.

You can transact with Kyndryl via the SAP Business Network (previously known as Ariba Network) for FREE as a standard account holder.

WHAT IS SAP Business Network?

Ariba, an SAP company, offers solutions and services that enable you to easily share information and business processes with your customers through the SAP Business Network, such as:

- Accelerate the sales cycle and lower the cost of sales
- Find new customers who are actively looking for what you sell.
- Drive more business with current customers.

WHAT ARE THE BENEFITS TO YOU

- Real-time access to document status information, such as for orders or invoices.
- Highly efficient, automated and secure document processing.
- Increased exposure to new business opportunities.
- Lower administrative costs resulting from electronic document processing.

HAVE ANY MORE QUESTIONS?

- For instructions and online demonstrations provided by your customer, visit the [Supplier Information Portal](#)
- For general questions about the SAP Business Network, visit [SAP Ariba Supplier Support](#)

WHAT DO YOU NEED TO DO NOW

To enable your company to process orders or invoices with Kyndryl, click the "**Get Started**" button below whether or not you have an existing account on the SAP Business Network.

If this invitation did not reach the appropriate person in your company, please forward as needed.

Click Get started to connect.
