

CUSTOMER SPECIFIC ATTRIBUTES

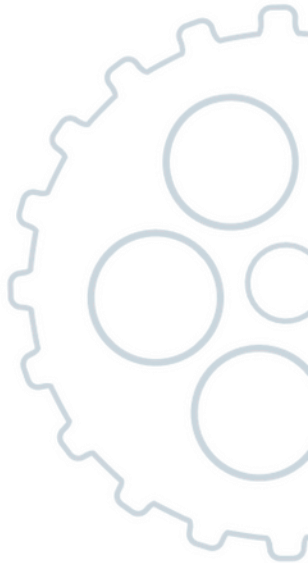

User Guide

Last update : 13/02/24

- › It is now possible to access new information specific to the Richemont Maison for certain tiles of the Workbench menu by displaying new columns headings (called **attributes -/ " Customer Specific Attributes "**)

- › You'll find these **attributes** in the filters and columns display customization available for these tiles

- > You'll find these **attributes** in the following tiles: **Orders**, **Items to confirm** and **Items to ship**
- > It is necessary to display the specific columns related to these attributes via the **Table column settings**

- › Concerned Tile : Orders
- › column heading : PO Fully Deleted
- › Possibility to filter the tile : Yes
- › Purpose of the attribute : In case of deletion of all the items of an order you can see in the field " **PO Fully deleted** " a « **X** » meaning that this order is fully deleted
This indication will be display only on the line of the latest version of the order

The screenshot shows the SAP Business Network Workbench interface. At the top, there are navigation tabs: Home, Enablement, Discovery, Workbench (selected), Orders, Fulfillment, Invoices, Reports, and Messages. The Workbench section displays four summary cards: Orders (2), Items to confirm (344), Items to ship (47), and Invoices (0). Below these cards, there are filter options for Customers and Order numbers. The Order numbers filter is set to '6019878798' with 'Exact match' selected. An 'Apply' button is visible. At the bottom, a table lists orders with columns: PO Fully Deleted, Order Number, Version, Date, External Document Type, Order Status, Purchasing Organization, Customer Location, and Actions. The first row is highlighted in yellow and shows 'X' in the 'PO Fully Deleted' column for order number 6019878798, version 1, dated Jan 17, 2024.

PO Fully Deleted	Order Number	Version	Date	External Document Type	Order Status	Purchasing Organization	Customer Location	Actions

- › Concerned Tile : Orders
- › column heading : Original Purchase Order
- › Possibility to filter the tile : Yes
- › Purpose of the attribute : In case of return or replacement of an order you can consult the original PO number in the field " **Original Purchase Order** "

The screenshot displays the SAP Business Network Workbench interface. At the top, there are navigation tabs: Home, Enablement, Discovery, Workbench (selected), Orders, Fulfillment, Invoices, Reports, and Messages. Below the navigation, there are four summary cards: Orders (446), Items to confirm (344), Items to ship (47), and Invoices (0). The main section is titled 'Orders (446)' and contains various filter options such as Customers, Order numbers, Creation date, Order status, Company codes, Purchasing organizations, Customer locations, Order type, Routing status, Min amount, Max amount, Currency, Visibility, PO Fully Deleted, and Original Purchase Order. The 'Original Purchase Order' filter is currently set to 'Type selection' with the value 'Maison du groupe Richemont - TEST'. Below the filters, there is a table with the following columns: Original Purchase Order, Order Number, Version, Date, External Document Type, Order Status, Purchasing Organization, and Customer Location. The first row of data is highlighted with a yellow box:

Original Purchase Order	Order Number	Version	Date	External Document Type	Order Status	Purchasing Organization	Customer Location
6016849838	6017986268	2	Sep 28, 2023	Retour sur livraison	Changed	M3CA CARTIER PJS	CHM5

C ITEM PRIORITY

- › Concerned Tiles : Items to confirm / Items to ship
- › column heading : Item Priority
- › Possibility to filter the tile : Yes
- › Purpose of the attribute : Display the priority that has been set to an item at the creation of the PO (Make sure you have displayed the **Item No.** column)
- › A priority ranging from P1 to P9 is then visible in the “ **Item Priority** ” field
- › Each **Maison** will then share the prioritization scale **that they have chose**

Confirm	Reject	Item Priority	Order No.	Item No.	Description	Need By	Ship By	Requested Quantity	Confirmed Quantity	Actions
<input type="checkbox"/>	<input type="checkbox"/>	P2	6016924789	1	BAGUE PIAGET PASSION SOL PT DIA PAV. 46	Jun 14, 2023		1 PCE	0 PCE	...
