

# Uploading catalogs to **Production** in the SAP Business Network

- To move your Static Catalog or PunchOut index file to your production account, you will need to upload the catalog file into the Live account.
- There is no synchronization between a supplier's Test and Production account.
- To upload a catalog into the Production SAP Business Network, login to your SAP Business Network Supplier Account
  - Go to: <https://supplier.ariba.com>
  - Log in with your Username and Password
    - Note:** There should be **no Test Mode** button displayed in the banner within the UI.
- Navigate to the Catalogs Tab and click “Customer Catalogs” tab.
- Click “Files” tab & on the Catalogs screen, click the “Create” button.
