

Dear Valued NESR Supplier,

NESR is pleased to announce that we are partnering with **SAP Business Network** to streamline our procurement and accounts payable processes. This initiative will help fulfill our vision of moving away from manually transmitted documents. We are targeting your organization to connect with us on SAP Business Network with a **free** Standard Account.

➤ **What does this mean for you?**

On Live date which will be Communicated shortly, we will begin sending purchase orders to our suppliers via this platform. We expect all suppliers to use SAP Business Network to:

- [Receive Purchase Orders](#)
- [Create Order Confirmations](#)
- [Create PO-Flip Invoices](#)
- [Create Credit Memos](#)

Out of Scope: Non-PO invoice

To be enabled in Future:

- [Create Ship Notices](#)
- [Create Service Entry Sheets](#)

Supplier Benefits

Greater Visibility

by having all documents in one place and real-time status updates

Cost Reduction

by minimizing paper trails, reducing time spent on documents, and eliminating postage

Guaranteed Invoice Delivery

by ensuring all documents reach the correct contact and Improve on time payment

➤ **What are your next steps?**

Following the summit, you will receive a Trading Relationship Request from SAP Business Network. This request will be sent from the email address: [✉ ordersender-prod@ansmtp.ariba.com](mailto:ordersender-prod@ansmtp.ariba.com)

To proceed, please accept the request and complete your registration on the SAP Business Network.

🔗 [Click here](#) to view the step-by-step guide on how to complete the registration.

You will have the option to register a **free** Standard Account, or you may use an existing account (Standard or Enterprise) to connect with NESR. Please note that if you choose to use an existing **Enterprise** Account, you may incur **fees** from SAP Business Network use. Any fees generated from an Enterprise Account will be the responsibility of the supplier. To learn more about Enterprise Account benefits and fees, please click [here](#).
